

## **Telos/Omnia Expands in Viet Nam with TQT Electronics**

---

12 June 2003, Cleveland Ohio, USA

Telos Systems and Omnia Audio welcome TQT Electronics HCMC Broadcast & Professional Products to their worldwide network of representatives. TQT Electronics will represent Telos and Omnia products in Viet Nam.

“We welcome TQT to our organization,” says Telos Systems’ Managing Director, Denny Sanders. “Their intimate knowledge of radio in Southeast Asia will help Telos and Omnia to play a significant role in this expanding market.”

“Broadcasting in Viet Nam is moving forward at a rapid technological pace,” comments Tran Van Tam, Director of TQT Electronics HCMC. “Around the world, Telos and Omnia have become synonymous with leading-edge technology. We are pleased that we can now offer our clients the advantage of their expertise with broadcast telephone and audio processing equipment.”

For more information about TQT Electronics, please call Tran Van Tam at +84 8 8628728, or e-mail [tqthcmc@hcm.vnn.vn](mailto:tqthcmc@hcm.vnn.vn) . Telos and Omnia products are used by broadcast professionals in more than 175 nations; for a listing of representatives worldwide, please visit [www.telos-systems.com](http://www.telos-systems.com) or [www.omniaaudio.com](http://www.omniaaudio.com) .
